

PRESS CONFERENCE

Ice Dance, after Short Dance

Kaitlin Hawayek/Jean-Luc Baker (USA) 1st after Short Dance

Hawayek: It's really great to be back at Four Continents. We've had a solid season and we're excited to cap it off here at Four Continents. Today we felt like we had a really solid performance, using the momentum from our National Championships and we had a fun time out there.

Baker: (on their choice of music) Last year with Hip Hop we had a lot of fun skating to something different. We came into this season really wanting to perform and having a good time out there. So we think this music gave us a really good opportunity to do that.

Kana Muramoto/Chris Reed (JPN) 2nd after Short Dance

Muramoto: We skated really well today, but we had some mistakes that we usually don't do. But we still got a personal best score. Knowing that we had a miss but still have a personal best score is a confidence boost going into the Olympics. We really enjoyed performing today and can't wait to perform our free dance tomorrow.

Reed: It felt like we skated really well and to get the levels which we worked so hard for prior to this event is a confidence boost. We're really happy with the placement and are looking forward to continuing pushing the momentum in the free (dance) tomorrow.

Carolane Soucisse/Shane Firus (CAN) 3rd after Short Dance

Firus: It was really fun to skate. Being in third is really awesome. (on competing in their first Four Continents Championship) It is a really big honor for us. Ice Dance in Canada is a really deep field. So to get the opportunity to come here is really special for us and we're just trying to soak up every minute of it.
