ISU Junior Grand Prix events

Judges Meeting and Round Table Discussion

Ladies and Gentlemen,

The ISU Sports Directorate and the ISU Technical Committees for Single & Pairs and Ice Dancing had worked out a guideline for holding

- a Judges Meeting
- Round Table Discussion

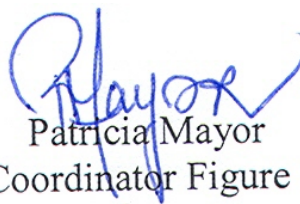

during an international Figure Skating event.

We would like you to use this guideline to prepare and conduct the two meetings during the ISU Junior Grand Prix event(s), for which you are appointed as Referee or Technical Controller.

Please return these two guidelines together with your Referee's / Technical Controller's report to the ISU at the conclusion of your event.

The DVD for the Program Components is unfortunately not yet available. We apologize for this delay.

Best regards

Patricia Mayor
Sports Coordinator Figure Skating
