## **11. STARTING ORDERS**

In accordance with Rule 513, paragraph 1, the starting order for the Short Program/Rhythm Dance for each individual ISU Grand Prix of Figure Skating event as well as the Final will be conducted by a draw as follows:

For the purpose of the draw, the Competitors are listed and ranked in accordance with the latest ISU World Standings at the time of the Team Leaders Meeting at the respective Event. Skaters/Pairs/Couples, who have not received any ISU World Standing points will be listed at the bottom of the list in country order.

The Competitors will be divided into starting order groups in accordance to Table I of the Technical Rules using the total number of Competitors.

Within the starting order groups, the Competitors will be divided into two equal subgroups, in case of an odd number of Competitors the subgroups with the Competitors drawing for the higher starting numbers will include one more Skater/Pair/Couple.

In case of ties in the World Standings there will be a separate draw between tied Competitors to decide the order of the draw. In case of ties in the World Standings on the border of starting order groups or the subgroups, all those tied Competitors will be included in the later group or subgroup and the following group or subgroup

will be smaller by the number of Competitors so added to a later group. However, this procedure has no influence on the size of the warm-up groups for the Short Program / Rhythm Dance which strictly follows Table II of the Technical Rules.

There will be a free draw among all Competitors of each such subgroup with the highest ranked Skater/Pair/Couple drawing first and so on.

There will be a separate draw between those Skaters/Pairs/Couples with no World Standing placements to determine the starting order, following the basic principles of the draws.
