Customs & Visas

Visa/Foreign Athletes Entering USA: Each person traveling into the United States must have an American Visa. If you require a visa to enter the United States, please use the provided Visa Application Request form (Form 2) and send to Events@usfigureskating.org.

For international travelers entering the United States, you can find customs procedures and a list of items that can be brought into the U.S. on the U.S. Customs and Border Protection website: www.cbp.gov.

Electronic System for Travel Authorizations (ESTA): ESTA is an automated system that determines the eligibility of visitors to travel to the United States under the Visa Waiver Program (VWP). Authorization via ESTA does not determine whether a traveler is admissible to the United States. U.S. Customs and Border Protection officers determine admissibility upon travelers' arrival. The ESTA application collects biographic information and answers to VWP eligibility questions.
