2. DESIGNATION OF THE SKATERS

2.1 Seeded Skaters/Couples

- a) Skaters/Couples who have placed 1 – 6 in each of the 4 disciplines (Men, Women, Pair Skating, Ice Dance) at the ISU World Figure Skating Championships 2022 will be considered to be Seeded Skaters/Couples and will be assigned, by draw, to skate in two events.
- b) If any vacancies (less than 6 Seeded Skaters/Couples per discipline) remain, the next ranked Skater/Couple from the results of the ISU World Figure Skating Championships 2022 will be moved up to fill their position as a Seeded Skater/Couple.
- c) **“Come-Back” Skaters/Couples:** Skaters/Couples who were previously seeded (placed 1 to 6 within the past 10 years at a ISU World Figure Skating Championships) and subsequently did not participate in one or more competitive seasons will be given priority consideration to re-enter the ISU Grand Prix of Figure Skating for selection of up to 2 assignments if they commit in writing to participating in two ISU Grand Prix of Figure Skating events and if such return is announced and confirmed by the date of the annual Selection Meeting. Such so called “Come Back Skaters/Couples” will not substitute any of the Seeded Skaters/Couples, mentioned under a). “Come Back Skaters/Couples” must not fulfil the requirements of the minimum Grand Prix score and would be considered for selection as an Organizing ISU Member Choice. A come back under this clause is allowed only once in their competitive career for any Skater/Couple.
- d) If a Seeded or “Come-Back” Skater/Couple withdraws from an assigned event, even for medical reasons, that Skater/couple will not be assigned to another event.

2.2. Invited Skaters/Couples

- a) Skaters who have placed 7 – 12 in Men and Women and Pairs/Couples who have placed 7 – 10 in Pair Skating and Ice Dance at the ISU World Figure Skating Championships 2022 will be guaranteed to be selected for two ISU Grand Prix of Figure Skating events, provided that these Skaters/Couples fulfil the requirements of the minimum Grand Prix score as per paragraph 2.3. below. If there are any retirements from placements 7 – 12 (respectively 7 – 10 for Pair Skating/Ice Dance), the vacant places will be completed with the next ranked Skaters/Couples of the ISU World Figure Skating Championships 2022 (placed 13 and below for Singles – placed 11 and below for Pair Skating and Ice Dance) will be moved up to fill their position as Placement 7 – 12 Skaters (respectively 7 – 10 Pairs/Couples).
- b) Return of a Split Couple - “Returning Split Couple”
Pairs or Ice Dance Couples, who were previously in the top 7 to 12 of an ISU World Figure Skating Championships in the past two seasons (2021 or 2022) but who split and now have a new partner, may always be chosen as an Organizing ISU Member Skater as per paragraph 2.2. f) and in addition, may be considered as an Organizing ISU Member’s Choice as per paragraph 2.2. g). They will be ranked in the list of Grand Prix Season’s Best scores by taking the season’s points of their partnership with their most recent previous partner, if proof is given in writing by their ISU Member that they intend to continue their competitive career and their return is announced and confirmed by the date of the annual Selection Meeting. Such Pairs/Dance Couples are defined as a “Returning Split Couple” and such Returning Split Couples do not need to fulfill the requirement of a minimum Grand Prix score.
- c) Return of a ranked Skater/Couple - “Return Skater/Couple”
A Skater or Couple, not included among those defined in paragraphs a) and b) above, who was previously in the top 7 to 12 at the ISU World Figure Skating Championships 2019 or 2021 but since was injured and/or did not compete at all during the entire 2021/22 season, may be chosen, if applicable, as an Organizing ISU Member Skater, and in addition, may be considered as an Organizing ISU Member’s Choice and will be ranked in the list of Season’s Best scores by taking the Season’s Best points of their most recent season, if proof is given in writing by their ISU Member that they intend to continue their competitive career and their return is announced and confirmed by the date of the annual Selection Meeting. Such Skater or Couple is defined as a “Return Skater/Couple” and such a Return Skater/Couple does not need to fulfill the requirement of a minimum Grand Prix score.
- d) Skaters/Couples with an ISU World Standing placement of 1 – 24 and Skaters/Couples with seasons best scores for 2021/22 in the top 24, who do not hold an ISU World Standing placement of 1 – 24 will be guaranteed one event if they do not otherwise meet the criteria listed in paragraphs 2.1 or 2.2 above and the minimum Grand Prix score.

A listing of seasons best scores for each season will be compiled to include the following events:

- * ISU Junior Grand Prix of Figure Skating
- * ISU Senior Grand Prix of Figure Skating
- * ISU Figure Skating Championships

* Olympic Winter Games or Youth Olympic Games (if applicable in the year concerned)

* ISU Challenger Series Events

- e) Medallists from the ISU World Junior Figure Skating Championships 2022 will be included in the selection process. Skaters/Couples who have stated their intention to skate as Senior in the season 2022/23 might be included in the Grand Prix event(s) if they fulfil the requirements of the minimum Grand Prix score.
- f) A maximum of three Skaters/Couples in each discipline from the Organizing ISU Member may skate in the Organizing ISU Member's event. This includes Skaters/Couples selected according to paragraph 2.1 and 2.2 above. If the Organizing ISU Member chooses not to exercise its option for the three Skaters/Couples in any discipline from its own country, the remaining entry spots must be filled as per paragraphs 2.2 a) to e) above. The domestic Skaters/Couples should fulfil the criteria of being on the top 75 Grand Prix Season's Best list when first selected. It is not mandatory for the Organizing ISU Member's Skaters/Couple to fulfil the criteria of the minimum Grand Prix score but it is strongly suggested.
- g) If any entries remain open and if all Skaters/Couples as defined in paragraph 2.2. a), b) and c) above have been selected for one event, the Organizing ISU Member may select any Skater/Couple with a top 75 seasonal best score to fill the open entries.
- h) In addition to the Seeded Skaters/Couples, or "Come-Back" Skaters/Couples and the above-mentioned Invited Skaters/Couples, each Organizing ISU Member may select additional Skaters/Couples in accordance with selection procedures established by the ISU Grand Prix Coordination Group, provided that such Skaters/Couples have reached the minimum Grand Prix score as required. The maximum number of entries per event, however, is set as follows:
- | | |
|---------------|--|
| Men and Women | not more than 12 but not less than 8 entries |
| Pair Skating | not more than 8 but not less than 6 entries |
| Ice Dance | not more than 10 but not less than 8 entries |
- i) No invited Skaters/Couples may compete in more than two events of the ISU Grand Prix of Figure Skating. These events will count for points and prize money will be awarded according to placements.
- j) A maximum of three Skaters/Couples from the same ISU Member may compete in the same discipline of any individual event of the ISU Grand Prix of Figure Skating.
- k) Non-Seeded Skaters/Couples will not be invited to another event in replacement if they choose not to skate in an assigned event.
- l) Non-Seeded Skaters/Couples will not be invited to another event in replacement if, by medical reason, they withdraw from an assigned event.
