ISU “INSIDE EVENTS” MOBILE APPLICATION

Daily information, results and changes in schedules (race, training, transportation, etc.) will be communicated to the teams on the board of the Team Hotel as well as on the ISU “Inside Events” mobile application.

This mobile application makes the information delivery faster, contains all relevant information for participants, reduce paper needs and notify participants in case of any changes or urgencies through push notification possibilities.

The “Inside Events” app is available free of charge on Android and Apple systems and is compatible with both tablets and smartphones. It can be downloaded with the below QR codes or directly on the app stores.

Each ISU Event will have its own unique password that will be provided on site to participating Athletes, Officials, and Team Delegations.
