in Figure Skating

**2009**

**A N N O U N C E M E N T**

**INTERNATIONAL SKATING UNION**

## 1. GENERAL

The ISU World Team Trophy (in Figure Skating) is an ISU Event announced in respect of the current ISU Constitution and Regulations. As per ISU Regulations, Rule 100, paragraphs 3. a) & b) the ISU owns all rights to the ISU World Team Trophy. The ISU World Team Trophy will be held with the approval and the assistance of the International Skating Union, under the responsibility of the organizing ISU Members concerned (in this case the Japan Skating Federation – JSF) and in accordance with the current ISU Constitution and General Regulations 2008, the ISU Special Regulations & Technical Rules Single & Pair Skating and Ice Dance 2008 and all relevant ISU Communications.

The first edition of the ISU World Team Trophy has been allotted by the ISU Council to the Japan Skating Federation to be held in Japan on April 16-19, 2009 in Tokyo.

## 2. BASIC EVENT FORMAT AND QUALIFYING SYSTEM

a) The ISU World Team Trophy format is based on a competition consisting of the six (6) best national teams from ISU Members with a special provision for the host ISU Member to be included as Qualified Member. Each team will be composed of 2 Men Single Skaters, 2 Lady Single Skaters, 1 Pair Skating couple and 1 Ice Dance couple, i.e. a total of 8 Skaters per team. Each team nominates a Captain from team skaters who represents the team including medal giving ceremony.

b) Six (6) ISU Members will qualify based on the scoring scale used for the ISU World Standing points (see applicable scale in sub-paragraph e) below) scored by its best 2 Lady Single Skaters, best 2 Men Single Skaters, best Pair Skating couple and best Ice Dance couple primarily at ISU Grand Prix of Figure Skating events and Final season 2008/09 and the ISU World Figure Skating Championships 2009, plus possibly the ISU European Figure Skating Championships/ISU Four Continents Figure Skating Championships 2009, the ISU World Junior Figure Skating Championships 2009 and ISU Junior Grand Prix of Figure Skating season 2008/09.

c) The 6 teams having accumulated the highest number of points by the above-mentioned number and category of Skaters/Couples in the above mentioned ISU Events and the criteria outlined below will qualify. If there is a tie among teams subject to qualify, the team having earned the higher number of points at the ISU World Figure Skating Championships 2009 will be qualified. If a tie persists, the qualifying ISU Member will be decided by draw. The team of the host ISU Member, if not qualified under the applicable Qualifying System, will receive a wild card entry as team no. 6 replacing the team finishing in that place in the standings.

d) For the purpose of the ISU World Team Trophy Qualifying System, the basis is to attribute to each ISU Member points according to the scale below (sub-paragraph e) on the basis of **the two best results** (the highest number of points earned) of **two different** Single Skaters **Men**, of **two different** Single Skaters **Ladies**, of **one Pair Skating couple** and of **one Ice Dance couple** at each of the two (2) groups of ISU Events listed below (the applicable Events):

- i) in one of the ISU Grand Prix of Figure Skating individual events or Final (senior) season 2008/09.  
If Skaters/Couples of a Member have not obtained points in the above-mentioned ISU Grand Prix of Figure Skating and Final (senior) season 2008/09, then the best result in one event of the ISU Junior Grand Prix of Figure Skating individual events (only in individual events but not the Final) season 2008/09 can be considered;
- ii) in the ISU World Figure Skating Championships 2009;  
If Skaters/Couples of a Member have not obtained World Standing points in the ISU World Figure Skating Championships 2009, then it is possible to use the ISU European Figure Skating Championships 2009 respectively the ISU Four Continents Figure Skating Championships 2009 and if needed the ISU World Junior Figure Skating Championships 2009.

It must be understood that in spite of the fact that the Qualified ISU Members for the ISU World Team Trophy can only participate with two Single Skaters each Ladies and Men, one Pair Skating couple and one Ice Dance couple, for the ISU World Team Trophy qualifying system the highest number of World Standing points\*) per discipline (Ladies, Men, Pair Skating/Ice Dance) earned **at each of the two above-mentioned applicable Events** will be used when cumulating the World Standing points\*) earned per Member. This means that more and different Skaters/Couples per Member may contribute to the cumulative number of World Standing points\*) per Member. Practically, two to four different Single Skaters Ladies and two to four different Single Skaters Men (the maximum four different Skaters

would be two different Skaters each at two Events) could contribute to the cumulative number of World Standing points\*) per Member. For Pair Skating and Ice Dance couples it could be one to two Pair Skating couples respectively one to two Ice Dance couples per Member that could contribute to the cumulative number of World Standing points\*) per Member (the maximum two different couples would be one couple each at the two applicable Events).

\*) World Standing points are granted and calculated only for the current season and only for the events described as below in paragraph 2.e).

The corresponding ranking and ISU World Team Trophy qualification list indicating the respective qualified ISU Members for the 2009 ISU World Team Trophy (hereafter called the “Qualified ISU Members”) will be issued in a dedicated ISU Communication immediately after the ISU World Figure Skating Championships 2009 which will be held at the end of March 2009.
