

Communication No. 2183

Lausanne and Tubbergen, July 25, 2018

It is with profound regret and sorrow that we inform you of the death of our good friend

Dr. Wolf-Dieter Montag

Dr. Montag passed away on July 21, 2018 at the age of 93.

Born on December 10, 1924, Dr. Montag was a specialist in orthopedic sports medicine. He has served as Chair of the ISU Medical Advisors from May 1976 until May 1984 and as President of the ISU Figure Skating Member, Deutsche Eislauf-Union e.V., from 1980 to 1998. He was also a member of the IOC Medical Commission and served in both Winter and Summer Olympics.

Dr. Montag's contribution to the sporting world has garnered him numerous recognitions such as the IIHF Paul Loicq Award (Hall of Fame), DEU Golden Badge of Honor Award, and many more.

His most valuable order was the "Bayerische Verdienstorden" (The Bavarian Order of Merit). Limited to 2000 medal holders, the award is a token of honorable and grateful recognition for outstanding services and extraordinary commitment to the Free State of Bavaria and the Bavarian people.

The ISU pays tribute to Dr. Wolf-Dieter Montag's devoted service to the ISU and Figure Skating and asks ISU Members to remember him with affection.
