### Figure Skating Judge Reappointment Online Learning Exercises

The Judges Reappointment Learning Exercises for Figure Skating (Single & Pair Skating, Ice Dance, Synchronized Skating) are now available online on the [ISU eLearning Platform](#). The modules have been prepared by the respective Technical Committees with the support of the ISU eLearning Project Group, the ISU Sports Director and the ISU eLearning Coordinator.

In view of the Council's decision to extend the validity of the lists of Officials for the season 2019/20 to include the season 2020/21 ([ISU Communication No. 2312](#), [ISU Communication No. 2337](#)), the completion of the Judges Reappointment Learning Exercises after July 31, 2020 will apply to reappointment requirements for 2021/22. Judges who are required to fulfil the reappointment seminars/webinars during the season 2020 to 2021 may complete the Exercises until July 31, 2021. Those Judges will be considered as having fulfilled the seminar/webinar requirements for the 2021/22 season **only (1 season validity)**.

A Judge who does not need to fulfil the reappointment seminar/webinar requirement for the 2021/22 season may also choose to complete the Online Learning Exercises for educational purposes only and will not receive seminar/webinar credit.

Attending in-person ISU recognized/sponsored Judges seminars in season 2020/21 will still count to fulfil the seminar requirement and will be valid for forty-eight (48) months.

There are three separate modules that comprise the Judge Reappointment Learning Exercises, one for each of Single & Pair Skating, Ice Dance and Synchronized Skating. Each Exercise comprises a series of questions related to the role of the Judge. The purpose of the exercise is to provide Judges with an interactive and challenging approach for developing their knowledge related to the key tasks of a Judge. Judges may complete the exercise as many times as they wish with a different set of questions for each attempt. The respective Technical Committee will monitor completion of the modules on an ongoing basis.

The Exercises are available on the [ISU eLearning Platform](#). All Judges currently on the list of Officials for the season 2020/21 ([ISU Communication No. 2337](#)) are automatically enrolled. For any questions, contact [elarning@isu.ch](mailto:elarning@isu.ch).
