Cancellation of the ISU Junior Grand Prix of Figure Skating, Yerevan/Armenia (Sept. 21-24, 2022)

The ISU Council has followed with concern the recent developments at the Armenian/Azerbaijan border and protests in Yerevan. The ISU Council also noted that some of the participating ISU Members have already decided not to attend the event.

Considering the prevailing uncertainty with safety implications that are impossible to predict, considering that this is a Junior event involving minors and mindful of security being the top priority, the ISU Council concluded the event cannot be held as planned.

The Council is evaluating a postponement to a later date and/or the re-allocation of the entries to the remaining Junior Grand Prix events of the season for a decision to be communicated as soon as possible.

The ISU regrets this unfortunate situation and thanks the Figure Skating of Armenia for their efforts to prepare the event and for their understanding for this decision.
