2. Covid-19 Measures

In an ongoing Covid-19 pandemic context, the health and safety of all participants at ISU Events including the athletes, team members, officials, volunteers, service providers, broadcasters, media, and spectators needs to be given additional attention. The Guidelines for ISU Events during the COVID-19 Pandemic and the Sport Specific Annex – Figure Skating describe the minimum sanitary measures that must be put in place to host an ISU Event during a COVID-19 pandemic situation. If the local health authorities require a stricter policy in order to host the Event, those stricter policies will need to be followed.

General measures – subject to changes (see details in the respective ISU Covid-19 Guidelines):

- Masks are not mandatory but it is highly recommended to wear them inside the official Event locations (Ice Rink, Transportation, Hotel). If the host country/local community/venue has a stricter mask wearing policy, then masks must be worn as per the local authorities’ policy.
- Social distance must apply wherever possible.

Media will be informed of any Covid-19 testing policy that could be implemented during these events. Media/Journalists will be responsible to cover the costs for any required tests.

3. Visa Application

You will not need a visa if you are a citizen of a Nordic country or an EU Member State. Similarly, no visa is required if you are a citizen of a visa-free country and if you have a valid passport or a comparable travel document. More information: https://migri.fi/en/visiting-finland

Media representatives requiring an official invitation letter in order to apply for a visa must contact the Organizing Committee (entries_gpespoo@stll.fi). Please note that an official invitation letter will only be provided to approved media representatives.
