COVID-19 Measures
During the current COVID-19 pandemic the health and safety of all participants at ISU Events including the athletes, team members, officials, volunteers, service providers, broadcasters, media, and spectators needs to be given additional attention. The Guidelines for ISU Events during the COVID-19 Pandemic and the Sport Specific Annex – Short Track Speed Skating describe the minimum sanitary measures that must be put in place to host an ISU Event during the COVID-19 pandemic.

These Guidelines do not, in any case, supersede additional requirements established by the National or Local Public Health Authorities of the hosting country which must be implemented in full, in particular regarding the physical distancing, hereby a minimum of 1.5 meters, but which may vary from country to country and the number of people allowed by square meter. The instructions and sanitary requirements outlined in this document will be continuously updated, as necessary, and every accredited person needs to fully comply with the respective policy and any additional instructions given by the ISU Event Management Team and/or ISU Medical Commission Member onsite.
