## Save the date: The ISU Skating Awards 2023 to be held on February 5, 2023

**The International Skating Union (ISU) in collaboration with the world-famous skating show Art on Ice, are delighted to announce that the third edition of the ISU Skating Awards will take place on February 5, 2023.**

Benefitting from a revisited concept and format, the 2023 ISU Skating Awards edition will be hosted and filmed for the first time in front of a live audience. Equally unique is the fact that the ISU Skating Awards will be integrated into one special Art on Ice show giving rise to an entirely new set-up, atmosphere and experience. The 2023 ISU Skating Awards thus promise to deliver an exceptional show combining performances by musical acts, professional dancers and renowned Figure Skaters, as well as exclusive interviews, behind the scenes and of course the announcement of the Awards winners in each category that viewers will be able to follow on the [Skating ISU YouTube channel](#).

After two editions which were exclusively live-streamed in [2020](#) and [2021](#), and the [postponement of the 2022 edition](#), the 2023 ISU Skating Awards will be produced for the first time live in an arena full of spectators and will be simultaneously live streamed.

Reuniting their expertise and passion to celebrate Figure Skating, the ISU and Art on Ice are more than ever committed to presenting a new edition bringing together the fun and entertainment of a skating show with all the glamour of an Award-giving ceremony.

Due to the multiple challenges faced during the 2021/22 season, including but not limited to the war in Ukraine and its consequences on ISU activities, the Council regrettably had to postpone the ISU Skating Awards 2022. The 2023 edition of the Awards will honor the careers and performances of outstanding Figure Skaters and the work of Coaches and Choreographers for the 2022 calendar year which includes the ISU Championships, the [Beijing 2022 Olympic Winter Games](#) and the [ISU Grand Prix of Figure Skating Series](#) 2022.

Nominees and Figure Skating celebrities will be invited to the exclusive show on February 5, 2023.

Further information regarding the event's program, format and ticket sales will be communicated in due course.

Check out the winners of the 2020 ISU Skating Awards and the Lifetime Achievement Award winners from 2021 [here](#).

## About International Skating Union

The International Skating Union (ISU), founded in 1892, is the oldest governing international winter sport federation and the exclusive international sport federation recognized by the International Olympic Committee (IOC) administering the sports of Figure Skating (Single & Pair Skating and Ice Dance), Synchronized Skating, Speed Skating and Short Track Speed Skating worldwide. The objectives of the ISU are to regulate, govern, promote and develop its sports on the basis of friendship and mutual understanding between athletes. Currently three ISU disciplines are included in the Olympic Winter Games program (Figure Skating, Speed Skating and Short Track Speed Skating). For further information please visit [isu.org](#).

## About Art on Ice

Internationally-renowned music stars performing their greatest hits live, the world's elite Olympic and Championship ice skaters choreographed in perfect synchronization and an unforgettable show with spectacular special effects – this combination of superlatives is enough to melt the ice. Year after year, millions of viewers, whether live in the stadium or at home in front of the TV, are enchanted by the passion and power of Art on Ice and its artists.

A star-studded line-up, breathtaking performances and a show rich in emotion all converge to create an unsurpassable experience. That is Art on Ice. For further information please visit [www.artonice.com](#)
