

## Communication No. 2467

# ISU Development Commission Opportunity for online meetings with ISU Members

Due to the Covid-19 pandemic, over the last two years it has not been possible for the Development Commission to have meetings with ISU Members during ISU Events and other activities in order to discuss their development needs. The Development Commission therefore offers the opportunity to interested ISU Members to make an appointment for a 20-minute online meeting to discuss their needs and objectives and the approaches and activities that could meet those needs. This will also allow the Development Commission to understand whether new initiatives and partnerships are required to tackle issues common to many ISU Members.

### Appointments will be available on:

**Tuesday, April 26, 2022 (7:00-14:00 CET)**

and

**Wednesday April 27, 2022 (13:00-21:00 CET)**

If there is a need, further dates may be made available.

Appointments may be made via the online appointment system at this [link](#).

Please indicate the Skating Branch (Figure Skating or Speed Skating, or both) that you would like to discuss.

Follow-up meetings may be held during the 2022 ISU Congress in Phuket, Thailand in June 2022.
