

ICEPACK- SKATERS

The ISU Clean Educational Pool Actors collectively referred to as **the 'ICEPACK'- Skaters** are part of the ISU Educational Pool in line with the World Anti-Doping Code-International Standard of Education 2021.

The ICEPACK- Skaters are the Skaters who skate at the highest level at ISU Events and are subject to Doping control. These are specifically the following Skaters:

- Skaters belonging to the ISU Registered Testing Pool (RTP Skaters) (Senior and Junior)
- Skaters returning from Sanctions (if any)
- Junior Skaters of ISU Members which are deemed 'high risk' as per the ISU general Anti-Doping Risk Assessment matrix.
- Junior Skaters participating at ISU Events and finishing in the Top 8 (who are not yet part of the ISU RTP)
- Such other category of Skaters that shall be determined by the ISU Anti-Doping Department.

Skaters shall be notified of their inclusion to the ICEPACK by the ISU Anti-Doping Department in the form of a letter sent to them.

The ICEPACK -Skaters must be aware of their educational obligations as mentioned below:

- To provide a record of relevant educational activities which can be in the form of:
 - e-Learning course completion certificates (like the ISU's Pure as Ice module or an eLearning module through their NADO),
 - proof of participation at in-person or online Anti-Doping Educational workshops, etc.
 - such other records to be assessed by the ISU Anti-Doping Department.
- If there are major changes in the WADA Code or the International Standards or any other relevant regulation, the ICEPACK- Skaters will be informed by the ISU of any new obligations.

The details of upcoming and future events, Pocket Learning Anti-Doping & You (P.L.A.Y) and other e-Learning content, links to future Webinars, Pure as Ice Outreach programs at ISU Events, etc. shall be specially communicated to the ICEPACK -Skaters.
