ISU World Junior Figure Skating Championships 2027
Sustainability

City	Country	Sustainability plan
Sofia	BUL	<ul style="list-style-type: none"> - Assemble the planning internal team . Sustainability Planning Committee - the goal is to create a sustainable action strategy, with steps and timeline - Recruit community champions, State/tribal, Local and Expectant and Parenting Advisory Group members to also serve on the Sustainability Planning Committee - To show how the Championship will impact the community and will benefit people and society - Finding sponsors and setting the budget of the competition - Planning the promotion of the competition - Preparing an action plan and contracts with subcontracting companies
Harbin	CHN	<p>If we can successfully obtain the allotment to host the 2024 ISU World Junior Figure Skating Championships, it will maximize the promotion and popularization of figure skating in China in the "post-Olympic era", and drive more people to learn, like and love skating. The success of the World Championships will also promote the development of venues and surrounding industries, and the vitality of the market will provide financial and human support for the better development of figure skating.</p>
Taipei City	TPE	<ul style="list-style-type: none"> - reduce plastic use - To reduce disposable L8 all participants will get a reusable water bottle for the week, to minimize the use of plastic water bottles. Together with our suppliers we try to make this event as eco-friendly as possible. - limited transport - The official hotels are close to the rink in reasonable walking distance. And the public transportation in Taipei is extremely convenient with subway stations near the rink and the official hotels.
