The ISU Skating Awards postponed to 2023

During the latest ISU Council meeting held on April 1-2, 2022, the feasibility of maintaining the ISU Skating Awards 2022 was evaluated.

Considering the multiple challenges faced during the 2021/22 season, including but not limited to the war in Ukraine and its consequences on ISU activities, the Council tried its best to find solutions but ultimately concluded that, regrettably, the ISU Skating Awards 2022 will be postponed and held in 2023 - simultaneously with the ISU Skating Awards Season 2023 (Refer to [Communication 2466](#) for the full report).

Given the importance of this event for the celebration of Figure Skating and all the passion attached to this special project, the ISU and its partner Art on Ice are more than ever committed in presenting an exceptional 2023 edition bringing together exclusive artistic, musical and skating performances.

Further information on the event's program and format will be communicated late in the year.

About International Skating Union

The International Skating Union (ISU), founded in 1892, is the oldest governing international winter sport federation and the exclusive international sport federation recognized by the International Olympic Committee (IOC) administering the sports of Figure Skating (Single & Pair Skating and Ice Dance), Synchronized Skating, Speed Skating and Short Track Speed Skating worldwide. The objectives of the ISU are to regulate, govern, promote and develop its sports on the basis of friendship and mutual understanding between athletes. Currently three ISU disciplines are included in the Olympic Winter Games program (Figure Skating, Speed Skating and Short Track Speed Skating). For further information please visit isu.org.
